# TERMS AND CONDITIONS OF SALE

ALL PRICES ARE F.O.B. KOSTER NURSERY,  
BRIDGETON, N. J.

This list cancels all previous quotations and prices are subject to change without notice

We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock we sell and *we will not be in any way responsible for the crop*. If purchaser does not accept goods on these conditions, they are to be returned at once.

We assume no liability for delay or failure in filling orders, due to strikes, accidents, crop failures or other causes beyond our control.

To any firms of established credit, our terms are 2% 10 days, 30 days net, from date of shipment. 6% *service charge on overdue accounts*. To firms who cannot or will not establish satisfactory references, cash is expected with order. Orders for C.O.D. shipments must be accompanied by 25% of the purchase price.

To limit disposition of our material to nurseries and plant markets, orders must be written on printed stationery or a business card must be enclosed.

*All shipments travel at the risk and cost of the purchaser. Transportation charges payable on receipt of goods.*

All quotations are subject to prior sales and confirmation, in accordance with our usual terms and conditions.

Not less than 5 of a variety and size can be supplied at the 10 rate, and not less than 25 at the 100 rate.

## BOXING AND PACKING CHARGES ADDITIONAL AT COST.

All Rhododendrons and Azaleas are grown in DDT treated soil and can be shipped to any part of the country without dip treatment under the Japanese Beetle Quarantine.

*Japanese Beetle Certificates  
supplied for any shipment upon request.*

ALL SHIPMENTS ARE ACCOMPANIED BY A  
NEW JERSEY CERTIFICATE OF HEALTH.  
ALL CLAIMS MUST BE MADE WITHIN  
10 DAYS AFTER RECEIPT OF GOODS.

No orders are to be dug unless proper arrangements have been made through the office.

## TO THE TRADE AND OUR PATRONS:—

This year you will find a few changes in our listings. In some instances such as *Taxus*, we are able to supply additional varieties and sizes, although it will be another year before we can furnish this item in quantities as large as we would like.

Our *Rhododendron* crop is especially promising and as you may know, we take considerable care in the winter protection of both this crop and *Azaleas*, to insure your receiving plants with the finest foliage and the maximum number of flower buds.

We have just added about 100 acres to our nursery which has made it necessary for us to withhold the sale of all spring liners this season.

You are cordially invited to visit us at anytime convenient to you.
